Provoking Curriculum Studies

Strong Poetry and Arts of the Possible in Education

Edited by **Nicholas Ng-A-Fook**, University of Ottawa, Canada, **Awad Ibrahim**, University of Ottawa, Canada and **Giuliano Reis**, University of Ottawa, Canada

Series: Studies in Curriculum Theory Series

Provoking Curriculum Studies pushes forward a strong reading of the theoretical and methodological innovations taking place within curriculum studies research. Conceptualizing scholars as poets and the potential of the poetic in education, the contributors draw on poetic inquiry, psychoanalysis, phenomenology, life writing, and several types of arts-based research methodologies to offer a framework for doing curriculum work at the intersection of the arts, social theory, and curriculum studies. Readers are urged to imagine alternative ways not only to engage with but to disrupt, blur, and complicate curriculum theory across interdisciplinary topographies.
